Computer Science Department
Pre-Requisite Verification Form

All students are required to fill out sign and return this form to the instructor. If a student violates an admission condition or does not have the required prerequisites for a course in which he/she is registered, the student may still have to take the prerequisite before being allowed to graduate. It is the student's responsibility to satisfy all prerequisite requirements.
 (Students dropped from classes due to lack of prerequisites will not receive tuition refund)
